2004 alPHa RESOLUTION NO. A04-4

TITLE: **Mandatory Health Programs and Services Guidelines**

SPONSOR: Regional Municipality of Durham

WHEREAS the Ontario Ministry of Health and Long-Term Care struck five technical review committees to review and revise the chronic disease prevention, early detection of cancer, injury prevention and substance abuse prevention, reproductive health and child health program standards; and

WHEREAS these committees submitted their final recommendations to the Chief Medical Officer of Health over two years ago; and

WHEREAS no final action has been taken on these recommendations since then; and

NOW THEREFORE BE IT RESOLVED that alPHa urges the Government of Ontario, as an interim step, to finalize the revised chronic disease prevention, early detection of cancer, injury prevention and substance abuse prevention, reproductive health, child health and safe water program standards.
