

A00-10, General Anaesthesia as a Covered Benefit under the Publicly Funded
Dental Programs of Ontario Works and the Children In Need Of Treatment
(CINOT) Program

January 11 2006: RESOLUTION CLOSED

Dr. Joyce Sinton (OAPHD rep to alPHA's Advocacy Committee) reported that there is now a fee schedule in place and no further action on this resolution is required.

May 10, 2001

The CINOT Schedule Stakeholder Working Group was unable to provide a recommendation regarding the issue of reimbursing physician anaesthetists for provision of general anaesthetics and facility fees; therefore this issue remains unresolved.

February 9, 2001

PHB response, that the Ministry of Community & Social Services met with stakeholders to discuss this issue on May 31, 2000. Staff from both this and the MOHLTC continue to work towards a resolution to this issue.
