

Biography

Dr. Paul Roumeliotis is the Medical Officer of Health and Chief Executive Officer of the Eastern Ontario Health Unit. He received his medical degree in 1983 at McGill University and trained as a pediatrician at the Montreal Children's Hospital. He was Director of Continuing Medical Education in the Department of Pediatrics and founding Director of Multiformat Health Communications at McGill. Dr. Paul created and directed the Montreal Children's Hospital Asthma Centre and Pediatric Consultation Centre in 1990. He completed his Masters of Public Health Degree at Johns Hopkins in 2009.

Using his expertise from years in the professional recording and broadcast industry, he has oriented his career to the development of Multiformat health communications programs for varied audiences. He strongly believes that utilizing new media technologies for the dissemination of public health messaging is essential in order to be able connect to and communicate with "today's tech-savvy and perpetually connected audiences."
