

PHIL GRAHAM's BIO:

Phil Graham is the Interim Director of the Emergency Management Unit in the Ontario Ministry of Health and Long-Term Care. His responsibilities include business continuity planning for the ministry and operational oversight of ministry's health emergency management program, including the Standard on Public Health Emergency Preparedness as part of the Ontario Public Health Standards.

Phil got his start in the field of crisis management in 2003 during the SARS crisis and provincial power outage. He has a Graduate Degree in Public Administration and is co-author of *Regulating Risk: An Assessment of Emergency Management in Canada*, published by University of Toronto Press.
